WORK EXPERIENCE

Microsoft Research Asia, Systems Research Group

Research Intern, Mentor: Jing Liu

Apr 2025 - Aug 2025

Beijing, China

- Work on systems support for LLM-powered AI agents with function calling.

RESEARCH EXPERIENCE

Database Group, University of Wisconsin-Madison

Advisor: AnHai Doan

Sep 2025 - Present

Madison, WI

- Work on natural language querying for intelligent data catalog systems.

madSystems, University of Wisconsin-Madison

Mentor: Jason Mohoney, Advisor: Shivaram Venkataraman

Dec 2023 - Dec 2024

Madison, WI

- Work on benchmarking vector indexing systems.

Wisconsin Institute for Discovery

Supervisor: Claudia Solís-Lemus

Jan 2023 - Dec 2024

Madison, WI

- Work on deep learning for biological sequences.
